Gorgona wine is
exclusive
It borns From the
collaboration
between
Frescobaldi and
the Gorgona Penal
Institute,
produced by the
island's inmates.

Exclusive Walk

Exclusive experience only with Authorized Guide

The smallest in the tuscan archipelago, since 1869 it has been an open penal colony. The mainly mountainous island was once a place of hermits and monks and subject to barbarian raids.

Today the island hosts an open penal colony, where the prisoners can move around freely to work and learn new professions which will help them to be reinstated in society at the end of their sentence.

Booking

Reserve in advance your experience for your group with
Claudia Authorized Guide for Gorgona.

Checkin in Livorno Porto Mediceo
